00:19:31 Ines Meneses: Replying to "What book do you rec..."

Barb recommended the 2018 version of The Course in Miracles because it is more complete.

00:21:00 Maryanne Roujie Co: I was listening to The Course while getting a 4 hour dental procedure and found it very soothing 🥰

00:21:00 Katie Adler: <https://acim.org/acim/en>

00:22:44 Maryanne Roujie Co: I worked with a coach who was all about the course in miracles and I got very turned off by the old world perspective of spirituality. Yes, felt very human masculine to me. However I feel the core messages are excellent and super interested in how you will teach it Barbara 💕

00:22:48 Allison Duck: Replying to "What book do you rec..."

I found one from 2007 but not 2018 <https://search.worldcat.org/title/190860865>

00:23:28 Julie Bruns: All this time I thought Marianne Williamson wrote the course in miracles, so I must have read her book about it.

00:27:21 Lynda: I don't know what anything is for.

00:27:57 Allison Duck: I need to jump for work but will aim to watch later. Thanks for putting this on!

00:28:02 Janet Redford, Speaker, Coach, What If Upper: Good way to put it @Erica Ballard. Your brain has to break to actually get to the truth.

00:47:13 Lora Cheadle, Esq, Cht: Fear can be our friend. It just can't drive our life.

00:48:38 Julie Bruns: When ever you're in fear, you're THINKING WRONG!

00:51:49 Erica Ballard: I wasn't ready until I was ready

00:52:22 Stephanie: I have super spotty internet right now, so before I leave, do I need to purchase the book, workbook and teacher manuel?

00:52:26 Lynda: @Chrysanthi, I recommend Pam Grout's book A Course in Miracles Experiment. It's a commentary on each lesson that you might find easier to read.

00:53:53 Erica Ballard: It's okay not to chose the course right now

00:56:13 Chrysanthi: That's a great point, thank you

00:56:46 Julie Bruns: @Chrysanthi, you know it's your ego, because you fear it. And your ego wants to keep you safe and stay right where you are - like Lora said

Me please

01:06:11 Janet Hayward: I need to leave because I have a 2:00 zoom Call

01:06:26 Ines Meneses: What triggers me is the fear to start and then I don't keep up with the "doing one lesson a day" guideline.

01:06:29 Carolina Perez Sanz: For me: I was born during a Catholic Church-supported dictatorship. For me, being "fair" is contrary to being religious, because the Catholic Church supported injustice so much!

01:06:55 Carolina Perez Sanz: So anything that sounds religious is "evil"

01:07:24 Carolina Perez Sanz: I feel "ashamed" to be interested in "miracles" (I wouldn't tell it to my family and closest friends)

01:08:14 Lynda: Replying to "What triggers me is ..."

Just start again. Don't beat yourself up. I've been through the workbook 3 times and I'm on my 4th. The first times were hit or miss but it grows.
